

# Introducing The FAWSSit™

Fold Away Wheelchair Shower

The **PERFECT** answer to home hygiene needs!

US Patent No., 7,231,673 B1

Just roll in,  
shower,  
and roll back out!

**Perfect for home bound patients requiring assistance with bathing:**  
Head or spinal cord injury, amputation, CVA, vascular/diabetic/  
renal/wound care complications.

**Also good for wheelchair/shower chair or dependent patients.**

**Great if caregivers are elderly or frail too.**

- Promotes circulation and muscle relaxation
- Decreases incidence of urinary tract infections
- Safe for patient and care giver, no need for transfer devices
- No need to lift a person into a shower or tub
- Perfect for rental units – no need to remodel

The FAWSSit is a portable, self-contained shower, complete with shower head, drain pan and pump to remove waste water.
